

Roasted Goat Muesli

Roasted Goat Muesli is a fully micronised grain concentrate blended with protein meals, molasses, premium vitamins and minerals formulated as an all round goat ration.

Feeding Rate

The feeding rate is determined by the general condition of the animal and availability of good quality pasture. As a guide an adult dairy goat can be fed at a rate from 0.5-1.0kg/day. Always introduce goats to the ration over a period of 2-3 weeks.

Ingredients

Micronised Barley, Maize, Soybeans, Protein Meal, Molasses, Salt, Dicalcium Phosphate, Availazinc, Lime, Vegetable Oil and a Premium Vitamin and Mineral Premix.
