

# Farmers Blend

*Farmers Blend is a mix of cracked and rolled grains and is suitable to be fed to all livestock. It can also be considered as a good high energy general purpose feed for grazing dairy and beef cattle.*

## Feeding Rate

*Feeding rates will vary depending on the animal to be fed and its condition. As with all new feeds introduce the product gradually over several days. As a rule of thumb feed a maximum of 2% body weight. Fresh clean water must be available at all times.*

## Ingredients

*Coarsly Rolled Sorghum, Wheat, Barley and Maize, Sodium Bentonite, Salt and Molasses. .*
