Phosphorus	1.2%
Copper	19mg/kg
Selenium	0.39g/kg

Creep Weaner Flakes is a highly nutritious, palatable young piglet feed. The feed is based on Micronised (Roasted) flaked wheat which is highly digestible and very palatable. High quality protein meals such as Soybean Meal, Roasted Soybean flakes and Cottonseed Meal are added, with vitamins, minerals and amino acids to ensure maximum growth rates.

Feeding Rate

Creep Weaner Flakes should be introduced to the piglet at 7 days of age as a supplement to the sows milk. Make sure that the feed is offered in small amounts so that it remains fresh. This product should be fed through to approximately 1 week after weaning.

Ingredients

Micronised Flaked, Wheat, Maize and Soybean, Protein Meal, Lysine, Methionine, Salt and a Vitamin and Mineral Premix.
